Foreword

The Bureau of Infrastructure, Transport and Regional Economics (BITRE) reports on domestic aviation on time performance of the following participating Australian domestic airlines: Jetstar, MacAir, Qantas, QantasLink, Regional Express, Skywest Airlines, Tiger Airways and Virgin Blue.

Reporting commenced in November 2003, except for Jetstar which commenced reporting in May 2004, MacAir which commenced reporting in July 2005, and Tiger Airways which commenced reporting in April 2008.

The purpose of collecting this information is to monitor overall industry and individual airline performance on punctuality and to allow consumers of air travel to make informed decisions when planning air travel.

On time performance is reported for all routes where the passenger load averaged 8000 or more passengers per month over the previous six months, and where two or more airlines operated in competition on those routes. Over time, routes which meet these criteria may change as airline networks and traffic levels vary. In 2007–08, there were 49 routes that met this definition, three of which for only part of the financial year: Melbourne–Alice Springs (April–June 2008), Perth–Port Hedland (July 2007–April 2008), and Sydney–Port Macquarie (February–June 2008).

The participating airlines also report overall monthly network performance, except for MacAir which only supplies total network data because it does not operate on competitive routes.

Total industry figures refer to all services operated by reporting airlines only. These airlines collectively carried over 95 per cent of total domestic passengers (regular public transport only) in 2007.

The method of capturing on time performance varies between airlines utilising different recording systems. Jetstar and Qantas jet aircraft use Aircraft Communication Addressing and Reporting System (ACARS) to electronically measure on time performance. MacAir, Regional Express, Skywest, Tiger Airways, Virgin Blue and the Qantas non-jet fleet record on time performance manually using records from pilots, gate agents and/or ground crews.

Reports are published monthly on the BITRE web site. After collection of initial data, aggregate reports are subject to internal audit by participating airlines prior to publication. The target date for publication is within six weeks of the end of the reporting period. The report for the year ending 30 June 2008 includes comparable data for the total industry for the previous financial year.

Information on the total network for the year ending 30 June 2008 is presented on Page 1.

On time performance reporting was provided for 49 different routes covering 30 airports for the year ending 30 June 2008. Detailed information on the performance of these routes is included in the tables beginning on Page 9, while detailed information on performance by airport is included from Page 21. The definitions can be found on Page 27.

Detailed time series data is available in Microsoft Excel spreadsheet format from the BITRE web site at <http://www.bitre.gov.au/info.aspx?ResourceId=214&NodeId=104>.

Industry performance

For the year ending 30 June 2008, airline on time performance over all routes operated by participating airlines (Jetstar, MacAir, Qantas, QantasLink, Regional Express, Skywest Airlines, Tiger Airways, and Virgin Blue) averaged 80.6 per cent for on time departures and 78.8 per cent for on time arrivals. Cancellations for 2007–08 represented 1.7 per cent of all scheduled flights. The equivalent figures for 2006–07 were 86.9 per cent for departures, 85.6 per cent for arrivals and 0.8 per cent for cancellations.

The long term average performance for all routes since reporting commenced in November 2003 is 85.8 per cent for on time departures and 84.6 per cent for on time arrivals. Cancellations average 1.1 per cent of all scheduled flights. However, as shown in Figure 1, there has been a noticeable decrease in airline on time performance since June 2007. Whereas on time arrivals and on time departures tracked around 87 per cent before June 2007, they have since been tracking around 80 per cent. Similarly, except for one or two occasions, there has been a steady increase in the number of cancellations since December 2006 (Figure 2 refers).

Of the major domestic airlines that reported for all twelve months, Virgin Blue achieved the highest level of on time departures for 2007–08 at 80.3 per cent, while Qantas achieved 79.1 per cent, and Jetstar 78.4 per cent. Regional Express was the best performing regional airline with 83.1 per cent departures on time, followed by QantasLink (82.8 per cent), MacAir (79.8 per cent) and Skywest (79.7 per cent).

Of the major domestic airlines that reported for all twelve months, Qantas achieved the highest level of on time arrivals for 2007–08 at 79.6 per cent, with Virgin Blue at 77.6 per cent, and Jetstar at 76.3 per cent. MacAir was the best performing regional airlines for on time arrivals at 80.8 per cent, followed by QantasLink (80.7 per cent), Skywest (80.0 per cent) and Regional Express (78.1 per cent).

MacAir had the highest percentage of cancellations for 2007–08 at 5.2 per cent, followed by Qantas with 2.3 per cent, Virgin Blue with 1.9 per cent, QantasLink and Regional Express both with 1.2 per cent, and Jetstar and Skywest both with 0.9 per cent.

Tiger Airways recorded 81.1 per cent for on time departures, 81.3 per cent for on time arrivals, and 0.1 per cent for cancellations for its three months of reporting.

Of the routes which met the criteria for on time performance reporting for all twelve months in 2007-08, the Canberra–Adelaide route had the highest percentage of on time departures (90.9 per cent), while the Perth–Brisbane route had the lowest (62.1 per cent).

On time arrivals were also highest on the Canberra–Adelaide route (90.4 per cent), and lowest on the Ballina–Sydney route (65.8 per cent).

Cancellations were highest on the Melbourne–Sydney route (11.5 per cent), followed by Sydney–Melbourne (11.3 per cent), Brisbane–Sydney (10.4 per cent), and Sydney–Brisbane (10.3 per cent).

Townsville Airport recorded the highest percentage of on time departures (85.8 per cent), and Maroochydore Airport recorded the lowest (71.1 per cent). Alice Springs Airport recorded the highest percentage of on time arrivals (87.7 per cent), while Wagga Wagga Airport recorded the lowest (66.7 per cent).

Individual routes

On time performance is reported for all routes where the passenger load averaged over 8000 passengers per month over the previous six months, and where two or more airlines operated in competition on those routes. During 2007–08, there were 49 routes which met this definition. Over time, however, routes which meet this definition may change as airline networks and traffic levels vary.

Airports

On time performance is reported for all routes where the passenger load averages over 8000 passengers per month and where two or more airlines operate in competition. The following data reports by airport against flights operated on those routes only.

Airport	Departures			Arrivals		
	Sectors Flown	On Time No.	On Time %	Sectors Flown	On Time No.	On Time %

Definitions

On time departure	A flight departure is counted as "on time" if it departs the gate within 15 minutes of the scheduled departure time shown in the carriers' schedule.
On time arrival	A flight arrival is counted as "on time" if it arrived at the gate within 15 minutes of the scheduled arrival time shown in the carriers' schedule. Neither diverted nor cancelled flights count as on time.
Cancellation	A flight is regarded as a cancellation if it is cancelled or rescheduled less than 7 days prior to its scheduled departure time.
On time departure percentage	The percentage of on time departures is measured against the number of departures <i>operated</i> on any particular sector.
On time arrival percentage	The percentage of on time arrivals is measured against the number of arrivals <i>operated</i> on any particular sector.
Cancellation percentage	The percentage of cancellations is measured against the number of services <i>scheduled</i> on any particular sector.
